

### Surrey Advertiser Rosebowl Competition – Rules.

1. The competition is for a set of five PDI images. (Note that slides are no longer accepted.)
2. A club entry must consist of images from five different photographers.
3. Images shown in previous Rosebowl Competitions may not be reused. However, there is no restriction on using images from other competitions. There is no limit on the age of the image.
4. Entries will be judged as individual images and not as a club panel. Images will be marked out of 10. Half marks may be used.
5. The Surrey Advertiser Rosebowl will be presented to the club whose five images receive the highest total mark. In the event of a tie, the winner will be decided by the highest number of high scoring images at each level – 10's, then 9½'s and so on until a winner is decided.
6. A trophy will also be awarded to the photographer whose image is judged the best overall. Certificates will be awarded to the runner-up best image and to those highly commended by the judge.
7. Trophy holders are responsible for engraving names on the trophies following the style used in previous years.
8. Images must be sized to fit within an area no larger than 1400 pixels wide by 1050 pixels high. Images will be projected at the dimensions supplied and images less than the above size will not be enlarged to fit. If any images are submitted that are larger than the specified size, they will be resized prior to projection.
9. If the image is less than 1400 pixels wide by 1050 pixels high, the remaining area will be projected as black.
10. Titles and name of author or club must not appear in the image area.
11. Image files must be in the sRGB colour space – 24bit (8 bits per channel). File format must be JPG.
12. The filename format must be: ###\_ image title.jpg where ### is the club identifier code as defined by the Surrey Photographic Association.  
e.g. C1\_Deadwood tree.jpg.  
Note that underscores are used as separators and spaces are permitted in the image title.  
The file name should only show the image title and not the name of the photographer.
13. All entries must be received by the closing date as shown on the entry form.
14. Images may be uploaded after January 1<sup>st</sup> 2012 at [www.wokingps.org.uk/wp/?page\\_id=678](http://www.wokingps.org.uk/wp/?page_id=678) or sent by post to the competition organiser on a CD. CDs will be available for collection on the night of the competition or returned by post if specifically requested and postage is paid.
15. All images will be deleted from WPS computers after the competition. CDs not collected or returned will be destroyed.
